The SchoolReach Notification System will be used to notify parents/guardians of Joel E. Barber School district students, when school is closed due to snow.

School closings and snow routes will be announced on KJEL Radio (103.7 FM) and KCLQ Radio (107.9 FM). Springfield television stations also broadcast school closings. However, DO NOT RELY ON THE TELEVISION STATIONS FOR SNOW ROUTE NOTIFICATION. It is sometimes misinterpreted. If buses run snow routes in the morning they will also run snow routes in the afternoon unless it is announced differently. This makes for less confusion for everyone.
